

Project Paraguay Foundation June 2019

For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future. Jeremiah 29:11

Pastor Miguel and his crew are diligently working on the new septic tank for Barrio Parque Church. The previous was destroyed during torrential rains.

The installation of a fire suppression system should hopefully help secure the necessary legal documents for adding yet another grade to the new school at Barrio Parque next year.
