

Project Paraguay Foundation November 2020

“Each of you should use whatever gift you have received to serve others, as faithful stewards of God’s grace in its various forms.”

1Peter 4:10

The Ebenezer Church in Villa Elisa, Paraguay has joined the El Renuevo group of churches. First established 30 years ago by Koreans, it is a vibrant church with around 50 members. Their interim Pastor, Victorio Recalde, is expected to be ordained next year. This is exciting news and we are looking forward to meeting and working together with our brothers and sisters from this congregation.

Project Paraguay honors a longstanding family of the congregation of El Renuevo who are contributing tirelessly. Top left is Fabio Caceres, an essential elder of the church, and his wife Liliانا is the church secretary. From left to right in the back row is Fabio Caceres, oldest daughter Milena, Liliانا, and oldest son Alan. In the front row, from left to right are Abigal and Bruno. Most importantly for Project Paraguay, our dear sister Liliانا receives and oversees the distribution of the monthly support we send to the Churches and their mission. We thank her and the family for many years of faithful service.
