

Project Paraguay Foundation December 2021

“Blessing and glory and wisdom and thanksgiving and honor and power and might be to our God forever and ever.” Revelation 7:1

He also participated, dressed as Governor William Bradford, in a Thanksgiving event and made another PP presentation at a homegroup in France. The picture to the right shows the current progress of our Team House in Paraguay.

Classes ended at the El Renuevo and Barrio Parque Schools and will resume at the end of February 2022. The last day was an eventful one when the students were honored and given special gifts provided by our wonderful U.S. donors. We ask for your continuing prayers for our schools—that the students and teachers in 2022 will grow in the Lord and that there would be a return to normality and peace.
