

# Project Paraguay Foundation December 2023

"You do not understand what I am doing now, but some day you will." – John 13:7.

Project Paraguay is again providing a Christmas gift to the Paraguayan Churches and the schools. At Barrio Parque School, the students just finished the school year. Seen here are the students posing for a picture on the last day.

From all of us at Project Paraguay to all of you who have so faithfully supported us by prayers and financial support:

**MERRY  
CHRISTMAS  
AND A BLESSED  
NEW YEAR!!!**

As the year draws to a close, we reflect with great joy and thankful hearts on all the blessings the Lord has bestowed upon us as we seek His will for the future. One area where He has opened a door is to the Mbya indigenous population. Our expanding medical involvement in Paraguay has also taken into consideration this isolated group that receives virtually no medical help. Tomasa who recently accepted the Lord is seen here taking sewing lessons from Pinchi's mother.
